

Coca-Cola FEMSA Informs About Recent Events in Rio Grande do Sul

Mexico City, Mexico – May 10, 2024 – Coca-Cola FEMSA, S.A.B. de C.V. (BMV: KOFL; NYSE: KOF) (the “Company”, or “we”), informs that after this week’s floods affecting the southern state of Rio Grande do Sul in Brazil, the Company has suspended operations in its plant of Porto Alegre. We are in contact with the vast majority of our personnel in the region with, fortunately, no reported casualties.

The Company is now assessing the timing and investments needed to reopen this facility, as well as alternatives to supply product and receive support from its other operations in Brazil and adjacent territories. Based on current estimates, the Company does not expect to suffer a material financial impact derived from this incident.

At this moment the top priority of the Company is the safety and wellbeing of our employees and their families, as well as providing support to local communities.

This communication contains forward-looking statements. Forward-looking statements are information of a non-historical nature or which relate to future events and are subject to risks and uncertainties. Some of the information contained in this communication contains words such as “expect,” and similar expressions that identify forward-looking statements. Use of these words reflects our views about future events and performance. Actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors that may be beyond our control. We caution you not to place undue reliance on these forward-looking statements. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

About Coca-Cola FEMSA
